APRIL IS OT Month

ANSWER THE QUESTIONS

Open Each Flap to Reveal the Answers!

100 Years!

The profession of
Occupational Therapy was
founded in 1917.

8 Different Disciplines:

This included: Psychiatry,
Medicine, Architecture, Nursing,
Arts and Crafts, Rehabilitation,
Teaching, and Social Work

Holistic:

Each individual should be seen as
a complete and unified whole
rather than a series of parts of
problems to be managed.

Occupation:

Occupation is an activity in
which one engages that is
meaningful and central to
one's identity.

Fact

APRIL IS

OT Month

ANSWER THE QUESTIONS

Open Each Flap to Reveal the Answers!

Lots!

OT personnel can be found in hospitals, clinics, clients' homes, nursing homes, schools, community settings, acute care, and many other places.

OT Practitioners help clients **engage** in occupations. These are activities that have meaning to them. The goal of OT is to enable people to participate in these activities of everyday life.

Activities Including:

- Feeding
- Dressing
- Bathing
- Leisure
- Work
- Education
- Social Participation

True!

OT personnel work with individuals who range in age and ability across the lifespan. This includes: Infancy, Childhood, Adolescence, Adulthood, and Late Adulthood.
